THE LAST CIVIL WAR: FINAL TRILOGY OF FORTRESS FARM (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. "The writing is tight and engaging. Very hard to put down. Read it every moment available." "Both frightening and uplifting, certainly thought provoking and I highly recommend it." "Great multi-part survival story. If this is your "cup of tea" then drink up. You'll enjoy the ride." "Great story line. Great characters. Totally engaging." The Last Civil War contains the final three books in the Fortress Farm series. Against the Storm - Twelve years after the electronic world ended with the Great Reset, leaders of the Red Hawk Republic find themselves facing the same problems as their predecessors. Territorial claims, fights over scarce resources, and religious divisions cause misunderstandings that might prove deadly to the fragile peace they've worked so hard to maintain. Complicating their world is a new storm on the horizon. The jihadists of the Northern Caliphate seek to expand their influence over the fertile farm ground once making up the heart of the United States. The Republic's brilliant engineers do their best to create new machines, and resurrect ancient ones, to help fight enemies that outnumber the Red Hawks ten to one. The Hamilton family must once more rely on instinct and tough decisions to further their goal of a new and broader Republic. Success will only be achieved by unifying all Free States into one force capable of beating back the threats surrounding them. But can they get those who seek their own agendas to grasp the bigger picture in time to fend off the coming invasion? Can the Founder overcome his own devastating injuries to hold their tentative union together long enough to create an Eternal Republic? Or will empires and theocracies once again dictate the future of all of mankind?...
